

We welcome submissions of working papers in all areas of Emerging Markets Finance and Foreign Exchange markets. See notes for contributors.

Note for Contributors

We welcome submissions of working papers.

Guidelines

- Papers must be in all topics of **Emerging Markets Finance** or **Foreign Exchange Markets**. Papers should be submitted in Word. The **EMG** cover will be added subsequently. Papers will be on PDF format when online.
- Discussion Papers can be at any level of mathematical difficulty.
- We will let try to let you know about the suitability of the paper in ordinary cases within a day or two. We will make any updates or revisions you request in your online material within 24 hours in ordinary cases.
- Papers can be submitted by email.
- Contact us by email or by post

In addition to the working papers, EMG has a “topical issues notes” series which has covers which look similar to the working paper series.
