

Tools for Success Expert Support Service

The Expert Support Service has been designed to complement the publication *Tools for Success: doing the right things and doing them right*

It is aimed at those who, having looked at the self-assessment tool feel that they would like personal expert support to put their organisation on the path to sustainability the expert support service may be appropriate.

An experienced Cass CCE consultant will be chosen to support you by providing :

- An initial two hour meeting to determine immediate priorities and outcomes using the framework within Tools for Success to enhance sustainability
- Ongoing support over a defined implementation period:
 - Up to four half hour telephone calls
 - Up to ten email exchanges

Price £500 excluding VAT
