

Cass Business School
CITY UNIVERSITY LONDON

Recruit the best talent...

Access international, highly-qualified candidates with our complimentary service designed to meet your recruitment needs.

Online service

- Advertise jobs, internships and research projects to MBA and MSc students and alumni
- Opt to receive all CV applications to your advertised position with a single email to your inbox.

Cass MBAs offer exceptional academic credentials and at least six years of business experience. Our executive and Dubai students average at least ten years in the corporate environment.

Cass MScs are specialists across finance, actuarial, insurance and risk management, real estate, shipping, supply chain and energy sectors. From graduates to experienced hires, Cass candidates are equipped to make an immediate, positive contribution to companies worldwide.

Present your company...

Interact with our students first-hand and raise the profile of your company. You don't need to be actively recruiting to engage with Cass students.

Connect with Cass Careers

Our team can help you meet our students:

- Showcase your company at our annual MSc Careers Fair and Recruitment Agency Fair
- Hold a company presentation hosted by Cass
- Present practical workshops and skills sessions
- Sponsor an MBA student Business Research Project.

Cass Careers focuses on developing our students' professional soft skills for the corporate environment. Use our services to interact with them and gain a greater understanding of what they have to offer.
