We enable the extraordinary – leadership through knowledge creation, education and community partnerships.

A LEADING RESEARCH INSTITUTION
Cass fosters thought leadership with impact, serving as an intellectual resource for London and our global Cass community. Our research shapes business practice, informs government policy and inspires learning. We emphasise three realms of impact, fusing the analytical rigour of financial services, the agility of strategic innovation, and the higher purpose of social business. The research Cass’s academics publish in leading journals is reflected in the education we deliver across our highly ranked degrees and is applied to the problems we solve for business clients. The Faculty of Finance is one of the largest and most respected in Europe. The Faculty of Management conducts research in all of the main areas of management, placing great emphasis on relating theories to real-world practice. The Faculty of Actuarial Science and Insurance is one of the world’s leading academic actuarial departments.

STUDENT BODY
Cass has over 4,000 students: over 2,300 undergraduates studying on six finance and management BSc courses; over 1,400 postgraduates studying on over 20 master’s (full-time, part-time and online) in finance, insurance, actuarial science, management, shipping, energy, marketing, entrepreneurship, supply chain and real estate; over 400 MBA students and nearly 100 doctoral students.

INTERNATIONAL ACTIVITIES
As a leading global business school, the Cass community of alumni spans over 160 countries. Cass boasts study abroad partnerships and collaborations with leading institutions across five continents, giving our students valuable international exposure. To support our international efforts, we are guided by advisory boards in London, Dubai, New York and Beijing. As an example of our reach, in 2007, the Executive MBA in Dubai was launched in collaboration with the Dubai International Financial Centre (DIFC).

TRIPLE-CROWN ACCREDITATION
Cass is among the global elite of business schools that hold the gold standard of triple-crown accreditation from the Association to Advance Collegiate Schools of Business (AACSB), the Association of MBAs (AMBA) and the European Quality Improvement System (EQUIS).

RESOURCES FOR ENTREPRENEURS
The Cass Entrepreneurship Fund was created in 2010 with the support of Peter Cullum CBE, a high profile Cass MBA alumnus and the founder and Non-Executive Chairman of insurance group Towergate. The £10 million Fund forms part of the Peter Cullum Centre for Entrepreneurship which provides a focal point for entrepreneurs at Cass, offering access to entrepreneurship teaching programmes and venture capital expertise, as well as the opportunity to apply for investment and incubation support.
